

Our Board of Directors

The Foundation's Board is comprised of Village residents who volunteer their time and energy to our community and the Foundation's mission. They are responsible for securing the funds for the services that benefit our neighbors.

Since the Board is comprised of volunteers, over 90% of all funds directly benefit Village residents. Those funds are made possible through your generosity and the generosity of Village clubs which has allowed us to provide over \$200,000 annually to neighbors in need.
