

MemorialCare / Saddleback Medical Center

MemorialCare Saddleback Medical Center is a member of MemorialCare, a not-for-profit, integrated health care system.

- Saddleback Medical Center received *U.S. News & World Report* high performance rankings for Abdominal Aortic Aneurysm Repair, Congestive Heart Failure, Heart Attack, Hip Fracture, Kidney Failure, Knee Replacement, Pneumonia, Spinal Fusion, Stroke and Transcatheter Aortic Valve Replacement (TAVR).
- Saddleback Medical Center is recognized by Healthgrades as America's 250 Best Hospitals, America's 100 Best Gastrointestinal Care and Surgery, Excellences Award in pulmonary care and critical care, and Five-Star Recipient for spinal fusion surgery; received Magnet® recognition for nursing excellence, and Geriatric Emergency Department Accreditation.

For nearly 50 years, south Orange County residents of all ages have entrusted Saddleback with their healthcare needs. To learn more, visit memorialcare.org/saddleback.

Partnership

In partnership with The Foundation, MemorialCare has provided free fall prevention classes for residents. A new grant (11/23 – 6/24) from MemorialCare helps The Foundation expand its Emergency Response Device (ERDs) program for residents. Residents of Laguna Wood Village may apply through Social Services.
